STAND BY ME

A : F#- : D E A :

A F#-

When the night is cold, and the land is dark

D E A

and the moon is the only light we'll see

though I won't be afraid though I won't be afraid
just as long as you stand, stand by me

So darlin' darlin' stand by me, oh stand by me
stand by me, stand by me, stand by me.

And the sky that we look upon should crumble and fall
and the mountains should tumble to the sea.

I won't cry I won't cry, oh I won't shed a tear
just as long as you stand stand by me.

So darlin' darlin'.....
