THINK FOR YOURSELF

G : : : : G#

A- **D** **Bb** **C** **G**
I've got a word or two to say about the things that you do

A- **D** **Bb**
Your telling all those lies

C **G** **A-**
About the good things we can have if we close our eyes

C7
Do what you want to do

G
And go where your going to

Eb **D** **G**
Think for yourself 'cause I won't be there with you

I left you far behind, the ruins of the life that you had in mind.
And though you still can't see,
I know your minds made up, you're gonna cause more misery.

Although your minds opaque,
Try thinking more if just for your own sake.
The future still looks good,
And you've got time to rectify all the things that you should.

Do what you want to do
And go where your going to
Think for yourself 'cause I won't be there with you

Do what you want to do
And go where your going to
Think for yourself 'cause I won't be there with you
Think for yourself 'cause I won't be there with you
