**D7 G F#**  
Oh and this boy would be happy  
**B- D7**  
just to love you, but oh my-hi-hi-hay,  
**G E7 A7**  
that boy won't be happy, till he's seen you cry-hi-hi-hay.

This boy, wouldn't mind the pain,  
would always feel the same,  
if this boy gets you back again.

This boy, this boy.
