Though you're gone away this morning you'll be back again tonight
telling me there'll be no next time if I just don't treat you right

You'll never leave me and you know it's true

'Cause you like me too much and I like you

You've tried before to leave me, but you haven't got the nerve
to walk out and make me lonely which is all that I deserve

You'll never leave me and you know it's true

'Cause you like me too much and I like you

I really do and it's nice when you believe me, if you leave me

I will follow you and bring you back where you belong

'Cause I couldn't really stand it, I admit that I was wrong

I wouldn't let you leave me 'cause it's true

'cause you like me too much and I like you
