## I'LL CRY INSTEAD

**G7**

**G7**

I've got every reason on earth to be mad

**D7-D7/A-D7-D7/A**

'Cause I just lost the only girl I had

**C7 C7/G C7 C7/G**

If I could get my way

**C7 C7/G C7 C7/G**

I'd get myself up locked today

**G7 D7 D7/A G7**

but I can't, so I'll cry instead

I've got a chip on my shoulder that's bigger than my feet

I can't talk to people that I meet

If I could see you now

I'd try to make you sad somehow

But I can't, so I'll cry instead

**B-**

Don't want to cry when there's people there

**A**

I get shy when they start to stare

**D7 D7/A D7 D7/A**

I'm gonna hide myself aw.....ay

**E7 E7/B A7 D7**

But I'll come back again someday

And when you do you'd better hide all the girls

I'm gonna break their hearts all round the world

Yes, I'm gonna break them in two

And show you what your lovin' man can do

Until then I'll cry instead
