Words are flowing out like endless rain into a paper cup

They slither while they pass, they slip away across the universe

Pools of sorrow waves of joy are drifting through my open mind

Possessing and caressing me

Nothing's gonna change my world Nothing's gonna change my world

Nothing's gonna change my world Nothing's gonna change my world

Images of broken light which dance before me like a million eyes

They call me on and on across the universe

Thoughts meander like a restless wind inside a letter box

they tumble blindly as they make their way across the universe

Jai guru deva om

Nothing's gonna change my world Nothing's gonna change my world

Nothing's gonna change my world Nothing's gonna change my world

Sounds of laughter shades of life are ringing through my opened ears
inciting and inviting me

Limitless undying love which shines around me like a million suns
and calls me on and on across the universe

Jai guru deva om

Nothing's gonna change my world Nothing's gonna change my world

Nothing's gonna change my world Nothing's gonna change my world

Jai guru deva Jai guru deva...(fade)
