GOT TO GET YOU INTO MY LIFE

G F G (8mis)

G **F9**

I was alone, I took a ride I didn't know what I would find there
Another road where maybe I could see another kind of mind there

Ooo, then I suddenly see you Ooo, did I tell you I need you

C bass/B A-7 D7 G

Every single day of my life

You didn't run, you didn't lie You know I wanted just to hold you

And had you gone, you knew in time

We'd meet again for I had told you

Ooo, you were meant to be near me Ooo, and I want you to hear me

Say we'll be together every day

G C D G

Got to get you into my life

What can I do, what can I be When I'm with you I want to stay there

If I'm true I'll never leave And if I do I know the way there

Ooo, then I suddenly see you Ooo, did I tell you I need you

Every single day of my life

Got to get you into my life
