## IN MY LIFE

There are places I'll remember all my li--ife though some have changed,

**A E F#- A7 D D- A**

Some forever not for better, some have go--one and some remain.

**F#- D G**

All these places had their moments, with lovers and friends I

**A**

still can recall,

**F#- B7 D- A**

Some are dead and some are living, in my life I've loved them all.

But of all these friends and lovers, there is no one compares with you,

And these memories lose their meaning, when I think of love as

**A**

something new.

Though I know I'll never lose affection for people and things that went before,

**F#- B7 D- A**

I know I'll often stop and think about them, in my life I'll love you more.

I know I'll often stop and think about them, in my life I'll love you more.

In my life I'll love you more.
