

SHE'S LEAVING HOME

E
E **B-** **F#-** **F#-7** **C#-** **/:A#**
Wednesday morning at five o'clock as the day begins

B11 **B9**
silently closing her bedroom door

B11 **B9**
leaving the note that she hoped would say more
she goes downstairs to the kitchen clutching her handkerchief
quietly turning the backdoor key stepping outside she is free

E
She (we gave her most of our lives)
is leaving (sacrificed most of our lives)

E7 **C#-**
home (we gave her everything money could buy)

F# **C#-7**
She's leaving home after living alone for so many years (bye bye)

Father snores as his wife gets into her dressing gown
picks up the letter that's lying there standing alone at the top of the stairs
she breaks down and cries to her husband, daddy our baby's gone
why should she treat us so thoughtlessly, how could she do this to me

She (we never thought of ourselves)
is leaving (never a thought for ourselves)
home (we struggled hard all our lives to get by)

She's leaving home after living alone for so many years (bye bye)

Friday morning at nine o'clock she is far away
waiting to keep the appointment she made
meeting a man from the motor trade

She (what did we do that was wrong)
is having (we didn't know it was wrong)
fun (fun is the one thing that money can't buy)

something inside that was always denied for so many years (bye bye)

She's leaving home bye bye
